Dear Parents and Pupils

Welcome to The Archbishop Lanfranc School!

I very much appreciate your taking the time to join us on our open evening. I hope you find it an interesting and rewarding experience. Please feel free to ask staff or pupils any questions you may have about the school.

You will no doubt be keen to look at the facilities and resources available to pupils and I trust you will be suitably impressed.

I am very proud of the staff at the school. It is they who will make a difference to your child's chances of future success. Year on year our results demonstrate the improvement being made by the school and the "added value" the high quality teaching secures for pupils.

I hope you will take the trouble to read our brochure and the summary of our most recent Ofsted inspection which are provided for you.

I appreciate that the "mechanics" of transfer to secondary school are becoming increasingly complex and have attached the answers to some "frequently asked questions" about admissions.

Choosing a secondary school for your child is a hugely important decision. The best way to find out about a school is to visit during the working day. Please take up our invitation to visit at any time. I should be delighted to see you.

Yours sincerely

D C Clark, Headteacher
